

To our friends at Grupo Gales Educacion Internacional,

Warm greetings. This is Rita Chen, Regional Marketing Coordinator of GEOS North America. I hope this e-mail finds you well.

I believe you have recently heard about our schools in Australia going into administration and temporarily closing.

I would like to take this time to assure you that our schools in GEOS UK, USA, New Zealand, and Canada are NOT affected by this recent action.

All other GEOS regions are operated by separate companies and each region is independent financially. You will see no changes in operations in GEOS North America, Europe, New Zealand, and Asia. You may continue to send students to us without any worries.

Please click below for a joint statement from Mr. Uri Carnat, Regional Director of GEOS North America, and Ms. Wendy Teraoka, Regional Director of GEOS Europe, addressing these recent events:

Thank you very much for your continued support of GEOS North America and our global network. It is very much appreciated.

Best regards,

Rita Chen
